Payroll and Human Resources Software

Public Utility District No. 1 of Douglas County (District) hereby gives notice that it is seeking RFPs for the replacement of the District's payroll and human resources software.

The RFP focuses on the procurement, installation, and support services of software to meet the needs of the District.

Scope

- Complete replacement of the District's HR and Payroll software systems.
- The solution must be able to support multiple divisions within the District. Each division has separate and distinct accounting systems and bank accounts.
- An electronic, computer based timekeeping solution must electronically interface with the payroll system.
- Vendor must support data migration into the new system.
- The new system must be fully functional by November 1, 2011.
- The District prefers to base the system on off-the-shelf software using open systems and standards.

Additional information can be found at and a copy of the RFP can be obtained from:
